The Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

This is a belated thank you for the nice call you made to me in connection with my service on the Intelligence Committee.

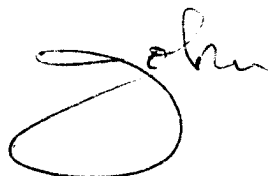

It's no secret that I greatly enjoyed being on that committee and regretted leaving it.

It was a pleasure working with you and all your people in the years I was there. Each of you has done a good job and I strongly believe the intelligence community, under your direction, has made steady progress forward.

You know I stand ready to be of help to you and the Agency whenever called on.

Very best personal wishes.

Sincerely,

B227
